COLTS NECK & SYMON GARBER:
MAKING HISTORY IN PALM
BEACH AND NEW YORK

Simon and his friend and pro Guille Usandizaga

A family infused team of one father and three sons, SLS JETS Polo embraces the family unit and the active lifestyle associated with the sport, and wishes to share it with the public.

For Simon, creating a polo legacy is a family matter. Simon Garber scored big points by creating his own International Polo Team, SLS JETS, a unique family team of father and sons. Garber 44, of New York City and Palm Beach, is emerging as an enthusiastic player on the polo field.

Simon and his wife, Elina, have five children, three of whom play polo; Shaun 17, Jeffrey 16 and Tyler 11.

This Saturday, The Garber family will host their inaugural Polo Palooza event on April 17th from 12:00 noon to 4:30 pm at their private polo field in Wellington, FL. benefiting The Boys and Girls Club of Palm Beach County. “Family is important to us and we are privileged to help support other children who need caring and guidance. I wish to share our family’s love of Polo. It is our passion in life”, cheers proud father Simon.

Simon’s Polo Club of Colts Neck was established in 2009 to share the excitement of Polo and to enhance the lifestyle that surrounds the Sport of Kings. It is the true convergence of sport and the importance of community.

Because the Garbers often play with nationally recognized players, spectators are offered the opportunity to see The Sport of Kings played at its best. The Garber’s other children, daughter Enette 12 , and youngest son Shane 1, watch the matches with pride and excitement and aspire to play as well.

SLS JETS Polo team travels around the world to play the most challenging opponents. A family infused team of one father and three sons, SLS JETS Polo embraces the family unit and the active lifestyle associated with the sport, and wishes to share it with the public. They have training centers in Lake Worth and Colts Neck, NJ.

Polo Club of Colts Neck is very excited for their upcoming summer season after returning from Palm Beach and Miami. Simon Garber, Owner and Captain of SLS JETS Polo team played very challenging opponents along with his teenage sons, Shawn, Jeffrey and Tyler.

We are thrilled to share a fantastic season of Polo in Colts Neck and offer our matches as an opportunity for you to entertain and host special guests. Consider this as an alternative to family-friendly and traditional summer outings on the Jersey Shore.

The Garber family is opening their games to the public for all to enjoy. Polo Club of Colts Neck's sponsors do offer complimentary light fare and beverages at their private VIP tent. However, quantity is limited as we expect large attendance.

Marcelo "Chino" Fraysinett, also played for Yellow Cab in Wellington.
